## Parable Teaching Guidance

*1 Let not many [of you] become teachers, my brethren, knowing that as such we will incur a stricter judgment. - Jas 3:1 NASB95*

1. Understand and allow the Word to be a conviction on your heart. You can't teach what you don't know yourself.
2. Speak to the 3-5 points you identified above and stay on point. It may be tempting to go off on a tangent, however you are speaking to many people with many different learning and listening styles. Be clear, be concise.
3. Keep the speaking to under 20 minutes. Practice beforehand if needed.
4. Prepare 3-5 questions to ask and engage the listeners.
